WORK EXPERIENCE

Web Designer

NeweggBusiness - Industry, CA - July 2013 to Present

My duties include designing / coding web banners, landing pages, and email newsletters for the promotions and marketing department, as well as designing catalogs, print collateral, and improving the UI for the NeweggBusiness website.

Freelance Web Designer

FUNERALNET - Portland, OR - July 2014 to January 2015

My duties include designing mockups of various websites for clients specifically in the funeral home industry. Based on the client brief I create pixel perfect mock ups showcasing the user interface and overall site flow and aesthetic.

Graphic Designer

Famous Stars And Straps - Ontario, CA - March 2012 to March 2013

My duties included working with the art director in creating various catalogs for multiple clothing lines. I also was tasked with designing promotional materials such as posters, banners, wall wraps, promo cards, and sales tools for distribution to their national and international clients.
