

Patrick Cranfill

QUALITY INSPECTOR - TRIUMPH CONTROLS, LLC

- Email me on Indeed: indeed.com/r/Patrick-Cranfill/ff63d66cc61d9abb

Looking to start my IT career as I continue to pursue my degree. I've always had a passion for computers and technology in general and want to exploit that to achieve my professional, personal, and educational goals to support my family.

WORK EXPERIENCE

QUALITY INSPECTOR

TRIUMPH CONTROLS, LLC - October 2015 to Present

Frequent multitasking for inspection of flight-critical parts. Caught countless quality issues that needed resolving. Received multiple recognitions for my attention to detail. Interaction with customers during an audit. Inspect per customer using multiple specs. Lite IT duties on 10+ computers. Documentation and communication

QUALITY ASSOCIATE

HONDA MANUFACTURING - June 2015 to October 2015

Drove new cars off the assembly line. Listened, looked, and felt for defects on cars. Received early training on 3 processes. Received 2 awards for quality issues that I had caught.
