### WORK EXPERIENCE

#### Animator

Razor Edge Games - Remote - April 2017 to Present

- Create gameplay animation in Maya, bake that animation to the bones of the character and export the animation out of the program.
- Bring the animation into Unity engine, test the animation to see if it plays in a Unity scene, save the scene and then export out the package to send to coders.

#### Owner/Designer

BB Innovative Concepts LLC - November 2015 to Present

- Creating visually appealing logos, websites, invitations, etc. for multiple different clients

#### 3D Modeler

Anuba Corporation - Remote - April 2017 to May 2017

- Converted 3D models (STL format) into objects in order to bring them into 3D program to retopologize, create a uv shell and texture.
- Created and aligned uv shells on 3D models to customer's specifications, textured the models with appropriate colors and patterns and rendered out pictures of final product.

#### Graphic Designer/Office Manager

The Irish House - New Orleans, LA - August 2014 to April 2015

- Created all menus, posters, flyers and ads. Also handled all social media content including promotions, flyers and ads for weekly and monthly events

### EDUCATION

#### B.S. in Computer Animation

Full Sail University - Winter Park, FL  
November 2013 to October 2016

### SKILLS
