

Abraham Jeyakumar

Motion Graphics Animator

Phoenix, AZ - Email me on Indeed: [indeed.com/r/Abraham-Jeyakumar/dd371894c4f818df](https://www.indeed.com/r/Abraham-Jeyakumar/dd371894c4f818df)

I am a creative problem-solver and an artist. I specialize in educational and instructional videos.

With over 15 years of experience in visual communication, I can effectively create beautiful logos, graphic layouts, computer generated animations and more.

Willing to relocate: Anywhere

Authorized to work in the US for any employer

WORK EXPERIENCE

After Effects Animator

CONNECTIONS ACADEMY - Remote - November 2016 to May 2017

Built instructional animations, using Adobe After Effects and Adobe Character Animator (Beta). Taking a fully developed storyboard and the connected assets, built complete educational videos in accordance to the company's visual and animation standards.

Graphic Designer

ChurchPlace - Scottsdale, AZ - March 2014 to April 2015

Skillful logo-designer. Generated new logo design for a local start-up company.

Trademark will be used for branding, website design, and mobile app control.

Developed business cards for a local musician based on proprietary name.

Videography

Accomplished videographer. Wrote, directed, produced, and published a music video for a local artist.

Launched a video-podcast for local church promotions.

Music Production

Classically and self-trained musician. Expert level in all stringed instruments, such as the electric guitar, bass, ukulele, banjo, and acoustic guitar; as well as in keyed instruments, wind instruments, and singing.

Ps Photoshop Pr Premier Pro Id InDesign

Ae After Effects Ai Illustrator

Completed coursework for Bachelor of Science degree. Studied marketing, working with teams and leading visual implementation of inventive products.

Worked with teams to create projects that were unprecedented, and exceedingly praised by classmates and professors. Projects were utilized as teaching tools in future business classes by professors.

Missouri State University

Completed coursework towards a Fine Arts Degree, gaining valuable experiences in traditional 2D and 3D design, color theory, image manipulation, and digital visual arts. Studied graphic design, animation, and creative writing.
