I am an Illustrator and visual artist and I have had shows at the Silpe gallery in CT and in the Galleria di Palazzo Vagnotti in Cortona, Italy. I was also a finalist in the 2016 international Art Renewal Center Salon. When I worked as a painter/ animator for the movie "Loving Vincent," my task was to hand paint and animate each frame in oil paint, while working with about 100 other painters to maintain consistency and quality while painting in the style of Vincent Van Gogh.

I am certain that my skillset and creative vision would be an asset to your team.

Thank you for your consideration.
