WORK EXPERIENCE

Animator

Foodiecats Animated Shorts - San Francisco, CA - October 2015 to October 2016

Responsibilities

Test animations for new rigs including body and emotion tests. Report work done, dailies, begin new work or refine/fix previous work, communication and completion and submission by deadlines.

Accomplishments

Created body animations and emotion tests for references for all animators working with specific rigs.

Tested new rigs and reported problems and fixes that could be done before moving further into the pipeline.

Skills Used

Animation

Acting and emotion performance.

Body mechanics.

Delivery Driver

O'Reilly Auto Parts - Newnan, GA - July 2013 to October 2013

Delivered parts and increased delivery rate by 30%

Arranged and planned orders in most efficient route to increase delivery speed.

Increased customer orders through assisting cashiers and efficient delivery planning.
