WORK EXPERIENCE

Technology Consultant

Self-Employed - Boston, MA - June 2017 to Present

Taking some time to prepare for daddy duty. Doing some consulting on the side.

Vice President, Engineering

Endurance International Group - Burlington, MA - September 2015 to June 2017

Head up the technology organization (dev, ops, ui/ux) for the New Ventures group, prototyping, and scaling new ideas quickly.

We brought 8 products to market in 2015-2016, some already scaling to tens of thousands of paying users.

Senior Director of Engineering

The Endurance International Group - Burlington, MA - September 2005 to September 2015

Worked in the engineering group, eventually becoming the Senior Director of Engineering, leading teams around the world in developing our hosting, domain, and web presence solutions. Headed development for business units representing over \$400mm in revenue and over 3 million customers.

Marketing Database Manager

Linkage, Inc - 2004 to 2005

Product Manager

SensAble Technologies - 2000 to 2003

EDUCATION

Bachelor's in Computer Engineering

Virginia Polytechnic Institute and State University

PATENTS

Common service web hosting architecture with CRM plus reporting (#8935314)
