WORK EXPERIENCE

Creative Director

TAD - Roswell, GA - April 2012 to Present

Thacker Advertising & Design

Founder + Visionary

Create branding, collateral material and advertising for small to medium size businesses throughout the southeast. Lead a network of associates in the creation of a wide variety of printed and digital marketing pieces to support and help grow the brands and businesses we serve.

Spectrum Design Group

Creative Director, Vice President

Joined Spectrum Design Group as a startup, participated in all aspects of growing the business and the creative team. Our firm was soon recognized as the specialists in high-end residential real estate design and marketing. Our work in this field won numerous Gold Obie awards for excellence in brochure design, ad campaigns, direct mail and sales center design.

Graphic Works

Lead Designer / Art Director

Began my career with the company as a production artist. Quickly moved to graphic designer and eventually became the lead designer and art director. Helped the company grow into a team of six graphic designers and production artists. Our work garnered numerous awards and a rapidly expanding client list.

EDUCATION

graphic design and corporate identity

Art Institute of Atlanta

painting and illustration

East Central College - Roswell, GA
