### WORK EXPERIENCE

#### Game Developer

LUNA WOLF STUDIOS - New Castle, DE - 2016 to Present

Started as an intern responsible for website redesign. Promoted indie games through web and at functions and assisted in concept design for contract games. Continuing in the game developer role by creating assets and maintaining the website.

#### Project Coordinator

INCLIND INC - Georgetown, DE - 2016 to 2016

Responsibilities as project coordinator: acted as the Scrum Master utilizing scrum methodology, planned resources within tempo, coordinated/conducted project status meetings, and provided quality assurance for projects. Additionally, spent time as the web developer; worked on support tickets and added styling/content to websites.

#### Programming Tutor

DELAWARE TECHNICAL COMMUNITY COLLEGE - Georgetown, DE - 2014 to 2016

Assisted students to analyze and understand the logic behind programming assignments. Demonstrated debugging and research techniques to further curriculum training. Attained a 100% pass-rate for students tutored.

#### Computer Programmer

PATS AIRCRAFT SYSTEMS - Georgetown, DE - June 2015 to August 2015

Conducted the initial research and development phase to locate and define issues in the current system. Analyzed data and interview results to create the Requirements Document Sheet. Generated flow charts and schematics of the web application, and completed a mock-up.

#### Listing Coordinator

E-REVOLUTION VENTURES - Selbyville, DE - 2013 to 2014

Performed quality checks and collaborated with Amazon to correct issues. Delegated the workflow between team members throughout the product lifecycle. Created more productive ways to organize communication within the department, which dramatically increased productivity.

#### Customer Service Representative

NORDSTROM RACK - Fairfax, VA - 2013 to 2013

#### Seasonal Driver

UNITED PARCEL SERVICE - Chantilly, VA - 2010 to 2010

#### Scout Sniper

UNITED STATES MARINE CORPS - Kāneʻohe Bay, HI - 2006 to 2010

Served overseas in Iraq. Lead 6 reconnaissance missions successfully and briefed/debriefed over 130

Marines as an assistant team leader. Efficient decision-making can be executed in high-pressure environments. Retained high-level focus on the mission while remaining resilient in tedious and challenging environments.
