

Eduardo Gomez

Orlando, FL - Email me on Indeed: [indeed.com/r/Eduardo-Gomez/cdc730812559db3b](https://www.indeed.com/r/Eduardo-Gomez/cdc730812559db3b)

Full Sail University graduated as a mobile developer. My experience in a retail chain company, programming application and my bilingual skills make me a considerable candidate for this work. Currently expanding knowledge in software development. I can develop for all three major OS: IOS, Android and Windows 10.

As a handicap, I Strongly believe that with the right tools, we can accomplish anything

Willing to relocate: Anywhere

Authorized to work in the US for any employer
