WORK EXPERIENCE

Animation Assistant

Family Guy - Los Angeles, CA - 2009 to September 2016

Coordinated and qualified the specifications for thousands of storyboard and animation frames for each episode of FAMILY GUY on constant tight deadlines.

- Supervised the process for preparing, building, exporting and finishing all episodes for animatic screenings.
- Responsible for ensuring the time code and burn-ins for prospective advertisers and legal use.

Editor

Gibson Overseas, Inc. - Commerce, CA - 2014 to 2014

Edited six sets of commercials for Clinton Kelly and Gibson Overseas, Inc. for a pre-production release of multiple dinnerware sets.

- Created an original title sequence for each individual commercial to highlight the unique differences in each table setting.
- Achieved a dynamic set of goals for both the manufacturing company and the celebrity branding aesthetic.

Assistant Editor

The Jazz Funeral - Los Angeles, CA - 2011 to 2012

Prepared and organized clips for various sequences and specifications on deadline.

- Performed transcoding, sound syncing, and burn-ins while assisting the editor in building sequences for the final edit.

Information Technology Administrator

Modern Industries Inc. - Phoenix, AZ - 2005 to 2009

Campus Technology Manager

Scottsdale Unified School District - Scottsdale, AZ - 2001 to 2005

ADDITIONAL INFORMATION

I have a combined two decades worth of experience in editing, animation, production, post-production, and information technology. I am driven by challenges, and can work equally well in a team environment or individually in order to succeed.

SKILLS

I have expert knowledge in all platforms of hardware from individual systems to networking operations. I am highly skilled and comfortable creating through a variety of software applications including; Avid, Final Cut Pro and the Adobe Creative Cloud (Photoshop, Premiere, After Effects, Audition).
