WORK EXPERIENCE

Web Developer
RLG Capital   -   Park City, UT - May 2017 to Present

* Currently upgrading a website for a Private Equity firm.
* Employing Ruby on Rails and ERB as a platform. Utilizing front end frame work to increase operating efficiency.
* Applying bootstrap as some of the styling for the site.

Web Developer
RLG Capital   -   Orem, UT - May 2017 to Present

* Currently building a robotics website for a startup company.
* Finishing up the final touches to Currently trying to add their products and pricing to the site.
* Using materialize for company's website styling.

Web Developer
Proptracer   -   Salt Lake City, UT - January 2017 to Present

* Proptracer is an estimate web application that measures property lines remotely to bid fencing projects.
◦ Proptracer.herokuapp.com
* Built the app to help customers of a fencing company get an estimate of how much it would cost them to put a fence in their desired location. This eliminates cost of employing a worker to measure it in person. Link proptracer.herokuapp.com

Web Developer
Corrective Education Company   -   Orem, UT - January 2017 to April 2017

* Conducted unit testing for main website, and added user friendly experiences.
◦ https://www.correctiveeducation.com/home/index.php
* Became proficient in PHP while providing web design services. Worked Closely with other employees from Palestine to upgrade CEC website to PHP 7.

Web Development Consultant
Park City Interfaith   -   Salt Lake City, UT - October 2016 to November 2016

* Assisted the development of the company website via WordPress and hard code
* Added posts, so owner could anticipate future events.
* Benefited the council and helped them plan more upcoming events more effectively.

Volunteer Representative
The Church of Jesus Christ of Latter   -   Baton Rouge, LA - April 2014 to April 2016

* Selected to train a group of missionaries both daily and weekly to explain protocols, tutor them in the Spanish language, and assist them in developing their teaching techniques

* Worked 80+ hour workweeks for two years
