WORK EXPERIENCE

Web Designer/Developer

The Phoenix Rise   -   Atlanta, GA - June 2017 to Present

Using WordPress software and hand coding, I am able to take a theme and manipulate it to make it look full of style and be one of a kind. I have the ability to decode, rewrite and write full code in PHP.

Web Designer/Developer

R Dalton Web Design , LLC   -   Atlanta, GA - June 2007 to June 2017

While others were using Dreamweaver, I hand coded websites using wordpad in Windows. This trained me to be an expert at HTML, CSS and website design structure. I also have a good eye for color association. I am a creative.
